FROM THE PRESIDENTS DESK

Dear members and friends of the German Canadian Club,

I wish to take this time to inform all our members that our AGM is still scheduled for Sunday June 27th at 2 pm. Since we did not have a 2020 AGM due to COVID-19, this meeting is of the utmost importance moving forward. Please make every effort to attend as your vote and input is especially important to our continued success. Currently the AGM shall be held on our patio and may change to the main hall once the COVID restrictions are lifted to allow more people inside the building. The agenda for 2021 will be expanded to incorporate the cancellation of the 2020 meeting. So, a number of agenda items will be doubled especially the 2020 and 2021 GCC year-end Financial summaries.

An especially important part of our AGM agenda is the election process. We have several vacancies and positions that are required to be filled to continue managing the operations of the GCC in an efficient manner. As previously mentioned in the May Newsletter the following Board positions are open.

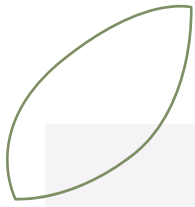

- President (1 year term) only due to no 2020 AGM
- Vice-President (2-year term)
- Treasurer (2-year term)
- Assistant Treasurer (1year term)
- Cashier (1 year term)
- 5 Directors (1 year term each)

Please be aware that to be eligible to participate in the 2021 all members must be in good standing which includes that all outstanding membership dues are paid prior to the AGM.

In conclusion I wish to inform all our members and friends that with the lifting of provincial restrictions being reduced and STEP 1 of the Provincial restrictions being moved to Friday June 11th, the GCC is looking at opening our Patio on Friday June 18th. The patio bar will be fully operational, and we will have Anna providing an eat-in and take-out menu for all of those that have missed her tasty cuisine since last Christmas. There will be many special priced beverages for the entire month of June and July as a "WELCOME BACK" promotion to all our loyal patrons and visitors. Please check our Website and Facebook regularly for more details regarding this special opening day event.

Please continue to check out our website and Facebook for continuous updates of the additional activities being hosted by the GCC throughout June and July.
