## FROM THE PRESIDENT'S DESK

### Summer at the German Canadian Club of London has arrived!

With the summer and the heat we have our weddings, soccer, tennis and music on the patio every other weekend. Make sure you come out for a game and stay for some drinks and music on the patio!

The Maintenance team has been hard at work repairing the parking lot. The large holes have been filled in and the broken drain has been cleared. We no longer have a pond in the parking lot after the rain. Later this year, the lot will receive 22 tons of recycled asphalt and will be graded. The drain will be repaired so we can finally get rid of the cone marking the area. We have also replaced the railing at the entrance stairs and the railing on the accessibility ramp. We would like to thank the Seniors Group for their generous donation towards the new railing.

Our new summer worker Lucas Mairenwald has been working out fantastic. Everyone is happy with his work ethic and enthusiasm for the club. Lucas has been keeping the club clean and grass cut, and when he has had time, he has been replacing those stained ceiling tiles and fixing all the little things around the club that need attention. He has also been working the events in the evenings as a duty person for those events that require a club representative on site. If you see Lucas around make sure to say Hallo and speak a little German with him, he has been working on his German and would love the practice.

### GCFC Report

The GCFC kicked off the summer football season during May and June, with over 150 adult participants across Men's Master's (over 35), Women's Open, and Men's Open divisions. The biggest win is being able to play; the Men's Master's division has not had an outdoor season since 2019. Warm evening matches followed by cold pitchers of Paulaner will never be taken for granted again!

### Tennis Club Report

We are happy to be open for the 2022 tennis season. Many previous members have returned and have expressed how delighted they are to be back playing on clay courts. We've also gained some new members who are excited to have discovered us and are having a great time. Overall, it's been a great start to the season.
